## Happy New Year!

*"Giving is not just about making a donation, it's about making a difference." ~ Author Unknown ~*

Since 1980 each of you have provided the support needed to help families through difficult times; you don't know their names or details of their circumstances, you simply have chosen to take care of our family, friends and neighbors, provide support and encouragement, as often as they need it. Your donation makes a difference.

Your donations allow Countryside to continue to serve many in our communities. They may help a cancer patient with travels needs, a family facing a memory loss journey or those receiving hospice services. Whether this is an annual family tradition or if you recently learned about supporting Countryside, every penny helps people in need.

Giving is a learned characteristic passed down through generations with love. An act of kindness, an act of duty, an act of financial support and just plain old volunteering are all opportunities. As your heart is led to give in a time of need or annually to a local organization, don't forget to share the giving process with your children and/or grandchildren; not to gloat or brag, but to share the WHY and to pass on a tradition of giving, together, as a family, into the future. Invite family members, friends, co-workers and/or neighbors to donate or volunteer in your community this new year. If Countryside Support is one of your choices, we make sure that your donation stays local and directly supports the patient and their family.

Thank you for your continued support through the years. We wish you *Happy New Year* full of *Hope & Happiness!*

*"It's not how much we give, but how much love we put into giving." ~ Mother Teresa ~*
